ORAL AND WRITTEN PERMISSION FOR EMBALMING

Oral permission for embalming was given by:

Print Name

Date: _____ Time: _____ Relationship to the Deceased: _____

Oral authorization was given and now written permission for embalming is verified. It was explained to me by phone or in person that it was not a state or federal law to embalm under normal conditions except contagious diseases and shipping by common carrier. It was explained that embalming was not required for direct cremation or burial. Embalming is required by the funeral home for a normal public viewing and funeral ceremony because of public health safety.
